

### Dear Parents and Carers,

It has been great to have all students back for a full week. Students have returned fully refreshed and ready for the new term. Year 7 have had a lovely start and look smart in their new uniform. Other year groups can order the new jumpers and ties if they choose to from RAM Leisure. Year 11 will have the option of wearing a new navy jumper once they suppliers have confirmed they are ready. I am delighted to welcome Pauline Quirke Academy of performing arts to the school site every Saturday as part of their relocation to our site. We have been given full bursaries for 2 students to attend sessions on a Saturday for a full year. Please can I remind all students that it is essential to complete the LFT twice weekly. Wednesday and Sundays.

### Teaching and learning

As part of our #growingtogethertobethebestwecanbe initiative, we are focused on improving our pupils' ability to reflect upon work produced and act upon targets quickly. As part of the equipment need for this, please could you source a yellow highlighter and a purple pen for your child's equipment. This will enable them to fully engage in these reflective processes and close the gap on their targets.

Miss Julie Johnson

## REMINDERS & NOTICES

### Hannah Moore - Shrewsbury Youth For Christ

"At Shrewsbury Youth for Christ we love spending time outdoors and think there's no better place for good conversation than around a campfire! Next week we will be back at Shrewsbury Academy for another round of 'Campfire Cooking' which we launched at school last term. We are looking forward to working with two new groups who will be learning how to make a campfire and then making some delicious meals. We hope that these sessions will provide space to learn and reflect in the midst of a busy school day"
