

Dear Parents and Carers,

We are proud to let you know that last Monday we took six of our year 11 girls to Shrewsbury High School for a taster day. They participated in a selection of lessons and had a group task which they later presented at the end of the day. They had an escape room styled activity which involved them working together solving puzzles to unlock boxes. The girls were kept very busy submerged in different activities and lessons. It was a very long day leaving school at 8.10am and not returning until 4.30pm. The girls had a fantastic day and have expressed a wish to return in January for another taster day which Shrewsbury High school are hosting. Well done to all.

Next Thursday 18th November sees the Loudmouth Theatre Company (National Theatre company) visiting Shrewsbury Academy for students in Year 10 and 11 in respect of PSHE curriculum. This sensitive production uses drama, followed by a discussion workshop that follows a young couple as their relationship develops. Looking in on their relationship, students are shown the characteristics of both a healthy and unhealthy relationship. We are delighted to be hosting this.

Shrewsbury Academy – Art Department

We are so proud of our Art Department and KS3 students who have produced this outstanding purple poppy which is worn to remember animals that have been victims of war. Animals like horse, dogs and pigeons were often drafted in to the war effort, and those that wear the purple poppy feel that their service should be seen as equal to that of human service.
