

Dear Parents and Carers,

I am writing this bulletin with a sense of pride this evening. This week has seen many of our students participating in external events/competitions. I would like to start with a congratulations to Miss Kovacs and her team of students who entered the Shrewsbury Drapers young textiles competition. All student's work was inspirational and will be displayed at St Mary's church until Saturday. We also saw 2 winners – Beth Steen and Hana Vnoucek both year 7 students – congratulations to them both.

Year 11 boys football team participated in a county cup game at Shrewsbury Town on the 4-G pitch on Thursday night managed by Mr Rogers.

We also welcomed an external visitor on Wednesday to school. This was a wellbeing audit carried out by Mrs Hardman. Mrs Hardman is an experienced national leader in education. A group of KS3 and KS4 students participated in this audit. Mrs Hardman fed back on how mature, eloquent and sensible the students were. Thank you to all students who participated.

Miss Julie Johnson

Please just to remind you S4T is still operational – please contact school should you wish to access, alternatively if you wish to donate anything for Christmas hampers these would be greatly appreciated.

COVID Vaccination drop in sessions

A social media graphic is coming out shortly on this from NHS colleagues but to confirm we do have pop up vaccination sites running across the County in addition to the schools programme. These are accessible for our 12 -15 year olds. Specifically in Shrewsbury, there will be vaccinations, this weekend at the Darwin Centre. We are hoping to be able to run the same session on additional weekends up to Christmas but this will depend on staffing.
