

Dear Parents and Carers,

The return to school following Half Term has been busy, we have been very lucky to experience a music performance from Shropshire Music Service for our Year 7 students, who gained a great deal from the event.

We are continuing to manage COVID plans including the wearing of masks, social year group areas and the use of hand sanitiser. This remains a priority for us moving forwards. Please continue to Lateral Flow Test each Sunday and Wednesday, this is a control measure for the school in keeping possible positive cases to a minimum.

Year 11 will experience mock examinations from next week, so I would like to take this opportunity to wish them all the very best for their examinations.

Have a lovely weekend.

Miss Julie Johnson

Sharing imagine and videos

Young people often share images or 'selfies' and there is potential for some of those to be nude or nearly nude images. Young people share 'nudes' for a number of different reasons, and some situations are more risky than others. For information about the contexts in which images are shared and how best to respond, take a look at [nude selfies: a parent's guide](#).
