Current success of Maisy May Docherty Year 9

Maisie played football for Shropshire U14 County Girls a couple of weeks ago against Staffordshire. They won 3-2. Maisie scored two of the three goals and put in an outstanding performance. Her performance was noted and picked up and she has now been invited to trial for England's U15s School Girls at Lilleshall National Sports Centre. We wish her all the luck for this trial and await news. Maisie is also contracted for another season at West Brom, she is dedicated and trains 3 times a week which shows her commitment to the club and sport! Well done Maisie keep up the good work.

We are also really proud to have feedback from Shrewsbury High School after 3 of our ex-students, attended for A Levels and have had some amazing success we are really pleased they have all gone onto further education and have high expectations #proudtobeSA.
