Dear Parents and Carers,

We marked the year anniversary of the passing of Sue Thomas with a prayer from Reverend Lisa Knight, attended by staff and students who placed flowers on her bench. This moment reminded us of the care that we all offer each other and the word "Be Kind" stood strong. It is moments like this where we reflect on what we have all experienced over the past two years and reminds us of the importance of the here and now.

The weather as we have experienced this week is cold; please can I remind all parents and carers that hoodies are not part of school uniform. Please can you ensure that your child is not wearing a hoodie on arrival at school.

Head of School

COVID Vaccinations

COVID vaccinations took place on Thursday, which saw approximately 218 students have their first or second vaccinations. The NHS staff praised the behaviour of our students, which was nice to hear. Thank you to all parents/carers that allowed their child to participate.

Please remember to test your child twice a week using lateral flow tests. Please ensure that you report the results to the NHS Test and Trace and school portal as previously shared.

Year 11 Parents' Evening

We saw a successful introduction to the online parents evening system on Thursday night. Thank you to all Year 11 parents/carers who were involved and arranged appointments with staff to discuss their child's educational progress.
