

Friday 18th March 2022

Dear Parents and Carers,

We welcome the end of another glorious week - a week full of spring sunshine and fresh beginnings. We have had our final week of mock exams conclude today with the Maths paper and I would like to commend the year 11s on their excellent conduct and behaviour throughout the mock period. Our year 10s are hot on their heels as they have also had the opportunity to experience the atmosphere of real exams with their English literature papers. As we move quickly towards the end of our half term, I am excited to see the coming weeks and the fantastic outcomes our children will produce.

On Wednesday 9th March, Carl Rogers (Head of Year 11), took fourteen year 10 students to Liverpool and Manchester for a day packed with post 16 experience, site seeing and some fun and football to finish. First stop was the Steven Gerrard Academy in Liverpool. The students carried out some data analysis and then took part in a football tournament. The next stop was to Liverpool Hope University, for a tour, an energy drink making class and lunch. In their spare time, students completed a site seeing tour which included Goodison Park, Anfield and Old Trafford, before going to Ninja Warrior in Manchester to burn some remaining energy and some dinner. The evening activities commenced by watching Manchester City vs Sporting Lisbon in the Champions League last 16 phase. The game sadly ended 0-0 but nevertheless was a great experience for the students.

Finally, this year marks 70 years since Her Majesty, the Queen first became British monarch. Shrewsbury Academy has marked this incredible occasion by planting a tree on the school site. The Queen's Green Canopy is a national project that Shrewsbury Town Council, are supporting locally. This will be a long-lasting and valuable way to mark The Queen's Platinum Jubilee in 2022.

Miss Julie Johnson
Head of School

REMINDERS & NOTICES

Year 11 Parents Evening

- Thursday 31st March 2022
- This will be taking place virtually
