

Dear Parents and Carers

**“It’s always marvellous to have somebody who, you know, you feel understands and wants to encourage”**  
**By King Charles III**

During this sad week and whilst the nation grieves the passing of Queen Elizabeth II, it is important to remember the positives that we accomplish every day. We have leapt into our new year at Shrewsbury Academy with a new look environment. Our Year 7 students are navigating their new school and timetables with the support from teaching and support staff.

We had an extremely successful summer school, with the year 6’s taking part in a number of activities, which were enjoyed by all.

I am looking forward to a positive year as we embark on the Autumn term with our new and existing students.

The breakfast will include a variety of cereals, toast, and toasted bagels alongside various condiments, milk, and milk alternatives.

The breakfast club will be served from approx. 8:10 – 8:45 each morning and operated directly from the canteen.

During the height of the pandemic, it was necessary for children and families to isolate if they contracted COVID-19, or a close contact tested positive. This guidance has now changed: Please follow the attached guidance for all Covid-19 related isolation information. Noting that, children who live with someone who has tested positive for COVID-19 should continue to attend school as normal.
