

Dear Parents and Carers

I'd like to start by thanking Mr Mee and colleagues for arranging the recent Year 7 residential trip to Latches Wood, and for giving up their time to ensure this was a successful and enjoyable time for our students.

It was great to end the week with a well attended option evening for our year 9 students, so thank you to all you who attended.

Please be advised that your child will be given their forms early next week to make their options choices. Please note that the deadline for these will be Friday, 10th March 2023.

We are keen to increase our choices of reading materials for our DEAR time and would be happy to receive donations of any suitable books that you may no longer need. Should you have any donations, please do not hesitate to drop them off at school.

Miss Julie Johnson
Headteacher

REMINDERS & NOTICES

Expressive Arts Extra Curricular Clubs

There are several exciting clubs for our students attend between now and the summer. Please find attached details for your child to peruse.

Extra Curricular PE Clubs

Please find attached details of all 2023 PE clubs for your information.

UK Maths Trust Challenge – Gold Certificate!

On the 2nd of February, several Year 10 students from Shrewsbury Academy participated in the UK Maths Trust Challenge. The students are members of the school's maths club and have been meeting during lunch times leading up to the competition, to prepare for the challenge. The results have just come in and we are delighted to say two of these students (Isabella and Alfie) were awarded the gold certificate for their performance. This is the highest possible result and includes an invitation to participate in the next stage of the competition. These invitations have been rewarded to students from only 800 schools, nationally and internationally, which demonstrates the exceptional performance of Isabella and Alfie. Several other students also received special awards: Artiom and Ellie received the Silver award and Eleftheria received the Bronze Award. Our congratulations go to these students and all of those who participated in this extra-curricular endeavour'

Exam Top Tips

Please feel free to access some useful tips for exam times. Tips 5 and 6 can be viewed by clicking the below link.
