Dear Parents and Carers

I would like to start this week’s bulletin by congratulating our students who participated in the Marches Academy Trust One Voice conference at Marches School on Thursday 14th September. The conference focussed upon sustainability and mental health and wellbeing. I am immensely proud of our students who conducted themselves impeccably. To follow on from yesterday, the students then met with me today to discuss their ideas and initiatives that they feel would support all students onsite. Well done to the group who represented Shrewsbury Academy in a positive manner.

Our new Year 7 students have been a delight to teach over the past 2 weeks and are now embedding themselves into routines and managing to locate classrooms around the site. It has been lovely to work with such a positive and polite group of students.

Miss Julie Johnson
Headteacher

REMINDERS
& NOTICES

Sparks is coming your way!

Sparks is coming your way. We have invested in a new platform for Maths homework for all students at Shrewsbury Academy. Watch out for emails where you will be notified about your child’s homework and the status of completion. We will be launching this platform on 20th September 2023.

Stationery Requirements

Stationery requirements and school stationary shop:

A reminder that all students need a black pen, a purple pen, highlighter, ruler, pencil, rubber and a sharpener in school. We would also really encourage them to have their own Casio Scientific Calculator (suggested model Casio FX-83GT). Cheaper models do not have the correct buttons on. Mrs Lutz sells all the above in her stationary shop where she sells items at costs, cheaper than you can get them in the shops. The shop is cash only and is open in M1 Monday, Tuesday and Wednesday break times. Casio calculators are £9.20.

Want to do something fun? Meet new friends?
Improve your skills? Make things go bang? Let off steam!
