Dear Parents and Carers

It was good to receive positive feedback from our Year 10 students who recently visited Stratford-upon-Avon, to experience a performance of Shakespeare's Macbeth at the RSC. Our students represented the school well and made me extremely proud.

As of 25th September, all facial piercings must be removed before entering the school gates. This is a health and safety preventative as well as adherence to the school uniform policy. The policy can be found in the student planners and website for your information.

Shrewsbury Academy welcomed professionals from the Department for Education on Friday, where we conducted a tour of the school accompanied by Ms Finch, CEO of Marches Academy Trust. It was pleasing to be able to evidence the journey that the school has been on, and continues to be on, and the progress that has been made to date.

Wishing you all a relaxing weekend.

This week, 9 of our amazing student council members attended the Trust 'One Voice' conference, held at Aico in Oswestry. The students worked together to devise a year long project focussing on the topic of Mental Health. They were an absolute credit to the school and have met Miss Johnson on Friday to share their project ideas. Well done!
