

Dear Families

As we edge closer to the summer holidays, we are entering an exciting time for the school. The build project to convert what was Sundorne Juniors, is nearing its refurbishment and will be handed to us at the end of the term. This will, in itself, offer 15 new state of the art classrooms as well as some much needed additional outdoor space.

The build now enters a new phase where the Science and MFL areas will be renovated whilst work continues on the huge extension which will provide a much-needed Library, nine brand new science laboratories, as well as new spaces for Design and Technology, Food and Graphic Drawing. You will see some update pictures below. This will be available to us in 2026!

I would also like to take this opportunity to thank year 11, who have their final exams this week, for their superb effort and behaviour during the exam season. We have very high hopes for this cohort, and I can genuinely say that this is a lovely year group who will be missed by staff. We wish them every success in the future.

Mr Jim Taylor
Headteacher

Basic Equipment is needed for ALL lessons. Please ensure you have a bag, planner and a pencil case, containing a pen, pencil, ruler, rubber etc. If you require any equipment, Mrs Lutz has equipment for sale every day at discounted prices.

Concerns at School?

Should you have a concern about your child or school, please discuss these with Form Tutor or Head of Year in the first instance. If you still wish to make contact with the Headteacher, please telephone the school and ask for Mr Taylor's PA or email her, on sarah.compton@shr.mmat.co.uk and she will arrange for to either speak or meet with Mr Taylor.

We also have a pastoral email – shr.pastoral@shr.mmat.co.uk that you can contact to raise any concerns you might have. Please note that this will be monitored regularly.

New External SFS in progress
