

Dear Families

We enjoyed welcoming our students back to school this week, especially our new Year 7’s, who will be based in the Haughmond Building. If you are a year 7 parent or parent of a SEND student, then the entrance if you need to come into school, will be the one on East Crescent, **not Corndon Crescent**, as this this will be for parents of students in years 8-11. The building is providing a fantastic learning environment with technology rich classrooms.

We were able to conduct assemblies in the Haughmond Hall for the first time this week with our new year 7’s who have also benefited from their own canteen and dining area. The impact on the rest of the school is significant with the main canteen now only serving four year groups, which was a much needed addition and makes lunchtime more streamline and efficient. The school is truly entering an exciting period as the massive STEAM block extension and library should be available to us around **February** time.

Please also take a look at the new and updated website. It contains everything parents need to know, from uniform guidance and policies, to term dates and staff information.

Mr Jim Taylor
Headteacher

Our students showcased their artistic flair and entered the Summer Art Competition. Huge congratulations to the following students for their winning entries.

1st Alan Jojo

2nd Ellie Morrison

3rd Jessica Robinson

Shrewsbury Academy Website

Over the summer our new website has gone live. It is now a more effective, user friendly platform and will be kept fully up to date with all events in school.

All term dates, staff details, our policies, governor’s details, as well as clubs and contact details can be found on here.

There are still some aspects to be added which is improving every day. Please take a look as a first port of call if you require any information or guidance.

The web address hasn’t changed, it is www.shrewsburyacademy.co.uk

Year 7 and Year 11 welcome assemblies took place in the new Haughmond Hall this week. It was lovely to welcome students into a brand new multi million pound refurbished building with state of the art technology.

SEN Queries

If you have concerns regarding a student's learning needs, would like to request additional support/advice please complete the internal SEND referral form and send it to the following email address: sendadmin@shr.mmat.co.uk

 [Referral forms](#)

Tuesday 10th September. Boom! We're off! Come & make bombs for your bath!
[Like this? Study chemistry and develop cosmetics for big retailers.](#)

Tuesday 17th September. Get gross and gruesome; look at blood, stings and other yucky things under the microscope! [Enjoyed this? Microbiology could be the career for you!](#)

Tuesday 24th September. Science party tricks; make a teabag fly and a candle drink! Pick up an ice cube with just string!

[Liked this? Lots of physics & chemistry here so studying & working in STEAM holds a great future for you.](#)

Tuesday 1st October. Sssh..... STEAM Club joins the secret service! We make and investigate invisible inks. [Why not study forensics or join the police force and become a detective.](#) Or if you want to develop spy techniques to protect the UK consider working in GCHQ or MI5.

Tuesday 8th October. Halloween approaches..... we make ghost eggs! [Biology explains particle movement here & applies to healthcare situations e.g. dialysis.](#) [Why not train as a dialysis nurse?](#)

Tuesday 15th October. Get ready for Halloween with an eyeball dissection. [Enjoyed this? Why not train to become an ophthalmologist or optometrist?](#)

Family Drop-ins

How can we help you?
